I wish to opt out of including my information in the members-only directory (the directory will help members contact someone near them to take their checks to the meeting if they can't attend).

I understand if I choose to participate in 100+ Women Who Care I am making a personal commitment to donate \$400.00 each year, \$100.00 each quarterly meeting, to charities/ non-profits/worthy causes serving the Silicon Valley area. I also understand that, even if the charity chosen is not my first choice, as a member I will donate at each meeting and if I am not able to attend the quarterly meeting I will give my check, which will also serve as my proxy vote, to another member to deliver to the meeting on my behalf.
